

Unedited Lectures Table of Contents

Please note that there are some differences between the Tables of Contents of the *Unedited Lectures* and the *1996 Edition*.

First, the Q and A's (Question and Answer Sessions) are not included in the *Unedited Lectures*; they appear in the *1996 Edition* only. Secondly, although the majority of the lecture titles are identical in the two tables of contents, and many more are very similar, some are quite different. This is because the editors of the *1996 Edition* sometimes amended the titles either to make the Guide's language more comprehensible or to give what they saw as a better reflection of the lecture contents. The case of the first twelve lectures, originally given in German, is a little different. Two translations of these lectures exist. The Unedited Lecture titles are those of the first translation, while the *1996 Edition* titles are those of the second translation, which was done by John and Judith Saly and Hedda Koehler in the late 1980's.
